

We at NSEA Swim are very appreciative of your generous \$500 donation to our lesson program. As the cost per lesson hour can vary based upon number of students per class, class level, etc. I would estimate that your donation can help us to provide as many as 30-35 free lessons to students in our programs that will range from preschool age children up through adults. As I'm sure you are aware, our foundation is one of the only ones in the country that provides certified fundamental lessons 100% free of charge to our community. As our program has grown we are having to rely more on paid certified instructors and lifeguards, and less on volunteers in order to keep up with the growing demand for lessons. Donations from partners such as your group will help us to be able to keep pace with this increased need.

We are very excited to have Hawk Masters as a community partner with us as we continue to promote water safety and swimming here in Wilmington.

Thank you,

Matt Derry  
Treasurer NSEA SWim Inc.
